Get some exercise, meet
new friends, and have FUN!

Square dancing is a great way to exercise both your body and your mind while listening to great music of all kinds! Come find out what square dancing today is all about!

Hey Guys: There are a lot more solo women in square dancing than solo men dancers. Solo male dancers are always appreciated! Why not give it a try? Come to our first lesson on Tuesday, Sept. 17th and see if you like it!
