

The Square Crows Have Some Exciting News!

We are moving our dance location and dance night beginning in September.

We will be holding our dances on the third Friday of each month. So beginning on **September 21, 2018** we will be dancing at the historic **Maltby Community Club** located at **8711 206th St SE, Snohomish WA 98296** (near the Maltby Café). It's a big hall with a nice wood floor, originally built as a square dance hall in 1939.

Gary Monday will be calling and **Karen Neverdowski** will be cuing. Break out your western hat and boots for this **Spaghetti Westerns**-themed dance, with plenty of spaghetti for all. (Details to follow about dance time and format.)

Due to prior commitments we will be back at the Sammamish Valley Grange for our December 21st dance but after that we will continue at the Maltby Community Club.

We are excited about this transition and thank you in advance for your support!
