Special Events

Our Friend.....

In April we lost our dear friend **Dick Sommers** to illness. Dick and Janet have been a foundational part of our club. Not only were they founding members, but have always pitched in to help and make a difference. They have been club delegates, authored newsletters, angeled at lessons, supported our

demo dances, painted the grange, gave us good advice and direction, were forward thinking in supporting kids growth in our club, helped with the decision that kids should dance for free and finally to make us laugh! I laugh when I think of Dick in his unique pink panther sneak around the squares. We will certainly miss him and

our prayers and condolences are with Janet and her family. Dicks Memorial is May 9th at 3pm at Community Center (703 Pacific St) in Sedro-Woolley. In lieu of flowers or food please make donations to Christ the King Building Fund. (www.caringbridge.org/visit/richardsommers)
